Oval Series

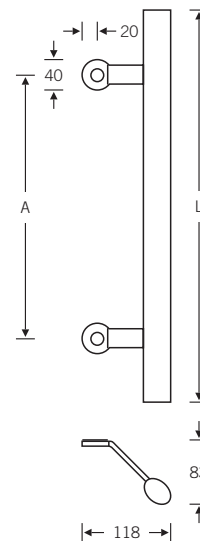

66 6616 ■

Items nos.	A	Ø	L
66 6616 035	350	40 × 28	550
66 6616 045	450	40 × 28	650
66 6616 099	451–2100	40 × 28	650

In door pull series FSB 6616 (Ø 40 × 28 mm), fastening is by means of laterally offset strap-type brackets. The fastening and gripping sides are separated from one another and hence protect hands. The innovative combination of fastening strap and pull lends the design an airy, vivacious appearance.

Special lengths are available per the chart above. Order 6616 099 and add distance (A) in parenthesis. FSB recommends a support distance (A) of max. 1200 mm.

All details subject to modification

Fastening Methods (Details on page 71)

- A** Back-to-Back
- B** Through-Bolted
- C** Concealed - Threaded Insert
